

Hello HVAC!

Driving an ambulance is a whole skillset in itself and Hoboken is, in some ways, a great place to learn. If you want to pursue an EMS career it is an essential skill.

We are always training (and looking for) new drivers.

If you have any questions or need any help with this process, please don't hesitate to reach out to Sgt Rusko (Yuriy) or me (Michael Bubb). I have added some notes below to help

- vehicles@hobokenems.com
- 201-736-0870 (my cell)

If you have a valid and non-probationary license and are interested, we need a photocopy of the license and a copy of your driving history abstract.

Information on the NJ abstract is here (other states will have a similar process):

<https://www.nj.gov/mvc/license/driverhist.htm>

Also if you are currently on a probationary license and need to upgrade it there is information here:

<https://mymvc.state.nj.us/license-upgrade>

When cleared, we will let you know that you are ready for training.

We have a group of driver FTOs, the best way to get trained is to look for a trainer whom you know and/or who rides the same shifts. I recommend reaching out to someone you are comfortable with. If you are not sure who to ask feel free to reach out to the vehicles department.

Make sure the FTO fills out a feedback form (QR code is on the 2nd floor bulletin board) or this link:

[Driver Training Feedback Form](#)

FTO list

- Anthony Cunningham
- Chris Monroy
- Emma Barakat
- Joe Zelasko
- Kaizad Jenhangir
- Malak Aziz
- Michael Oestreich
- Nevan Gandhi
- Pax Adanz
- Phil Alexander
- Renee Parriott
- Ross Leth
- Mohamed Hamed
- Sandy Shaw
- Sgt Fulton
- Walt Bell
- Alex Kaufman
- Amanda Schmitt
- Angel Molina
- Yuriy Rusko
- Michael Bubb
